

# Salvation Fighting Force

A long time ago in a land not so far away, The King heard cries of the people.<sup>1</sup> HE looked down to the valley and saw HIS enemy enslaving people and drawing others into a world of immorality. Because of HIS compassion the King descended to the valley to proclaim liberty to the captives and to save those who wanted to be saved.<sup>2</sup> After gaining the victory, HE ascended from the valley and called on HIS special forces to continue the work.<sup>3</sup> This was strictly a voluntary position and HE called these troops HIS 'Salvation Fighting Force'. As the Commander and Chief, HE invited anyone who desired to give their life or even a part of it to become one of HIS elite troops in the fight for Salvation.<sup>4</sup> There were no benefits except to honor the ONE who saved them and take that same compassion to thousands who were still in bondage. Today the mission continues and many people are being set free by the hand of the KING through the Salvation Fighting Force. Their creed is simply this: "Freely we have received and freely we will give".

**WATCHMEN** - There are several positions for those who choose to serve in the Salvation Fighting Force. There are those who sit at the KING's feet giving information concerning the slave's location and their situation. These Watchmen cry as they watch and pray for the freedom of these poor slaves. <sup>5</sup>

**SUPPORT FORCE** - When the KING is alerted by the Watchmen HE summons those who help by financing the mission. The Support Force gives with a cheerful heart making their finances available to ensure a successful mission. <sup>6</sup>

**GROUND FORCE** - The Ground Force is then alerted to their call. They go forth to take the prisoners out of darkness and bring them into the KING's marvelous light. <sup>7</sup>

**CONTROL CENTER** - A most crucial part of the Salvation Fighting Force is the Control Center. Their job is to ensure connection and communication is made between the troops. They work behind the scene as the bond which holds the Fighting Force together. They are those who also minister to the troops <sup>8</sup>

**RESERVE FORCE** - The Reserve Force is on hand to help as needs arise. Whether behind the scenes, sharing their homes, or taking trips to the Field, they are available and reliable ready to serve and give selflessly. <sup>9</sup>

Without the part of each troop, the mission would fail. Though the numbers of those being saved is growing, some of the Fighting Force has become weary in well doing. But the King wants to remind us that we will reap if we faint not. The KING is Faithful and HIS promises are sure. So when the job is complete the Salvation Fighting Force will be greeted at the end of the age by the KING HIMSELF, we will hear these words, "Well done my good and faithful servants you have been faithful over a few things, I will make you ruler over many things: enter now into the joy of your LORD.

1Corinthians 3:8-9 He that plants and he that waters is one and every man shall receive his own reward according to his own labor. For we are laborers together with God.
